Your Patients' Health, Safety and Peace of Mind are top
priorities at Park Place MRI & Diagnostics

We're taking extra precautions to help keep your Patients and
our Staff safe during the COVID-19 outbreak:

- Prescreening Patients for related symptoms and
other high-risk factors when scheduling via phone
- Separate outdoor screening area and temperature
taken upon Patient arrival
- Limiting non-essential visitors into the facility
- Masks, gloves and sanitizer available for Patient use
- Patient waiting areas re-arranged to achieve "social-distancing"
- High capacity air filters for better air quality
- Extra cleaning and sanitizing protocols in effect

We appreciate the confidence you place in our Staff to care for your
Patients today and every day. Together, we will safely get beyond these
days! Please feel free to contact your Marketing Representative or our
Management Team if you need anything.
